IEEE/CIC ICC 2017

22-24 October 2017, Qingdao, China

Conference Website: <http://www.ieee-iccc.org/>

IEEE/CIC International Conference on Communications in China (ICCC 2017) will be held in Qingdao, China, 22-24 October, 2017. This conference will feature world-class plenary speakers, major technical symposia, industry and academic panels, tutorials and workshops. The technical program chairs invite the submission of original papers to following symposia for presentation and publication in the conference proceedings. Accepted and presented papers will be submitted to IEEE Xplore. Best paper awards will be selected from accepted papers.

Symposium of Selected Topics in Communications of IEEE/CIC ICC 2017

The goal of the Selected Topics in Communications Symposium is to explore the latest research trends in communications. The symposium aims to present high-quality research results in diversified areas at the frontiers of communication theory, signal processing, coding, mobile computing and system designs and implementation. The selected topics of this year are listed below:

- Non-Orthogonal Multiple Access
- Microwave Antennas and Hardware Designs for Communications
- Connected Vehicles
- Backscatter Communications
- Ubiquitous Communications and Computing for Internet of Things
- Communications in E-health
- Communications in Smart Grid
- Green Communications
- Machine-to-machine Communications
